Stepping Out Into Nature

Stepping Out Into Nature – Torfaen is a project run by Torfaen People First via funding from the UK Government's Shared Prosperity Fund administered by Torfaen County Borough Council's Community Resilience Fund 2024.

The project brought together a volunteer team of 6 adults with learning disabilities to conduct accessibility audits of 6 local green space locations across Torfaen to help members of the public make informed decisions about the locations suitability for their needs. The 6 locations were:

- Garn Lakes, Blaenavon
- The American Gardens, Pontypool
- Pontypool Park
- Llandegfedd Lake
- Pontnewydd Park, Cwmbran
- Cwmbran Boating Lake

This guide provides the accessibility information for **Cwmbran Boating Lake**

The audit team visited each location between October – December 2024 and carried out the accessibility audit against a pre identified accessibility checklist. This booklet contains their findings on the day of visit.

For more information about this project please contact **enquiries@rctpeopelfirst.org.uk**
