Stepping Out Into Nature

Stepping Out Into Nature – Torfaen is a project run by Torfaen People First via funding from the UK Government's **Shared Prosperity Fund** and administered by Torfaen County Borough Council.

The project brought together a volunteer team of adults with learning disabilities to conduct accessibility audits of 6 local green space locations across Torfaen to help members of the public make informed decisions about the location's suitability for their needs.

The 6 locations were:

- Cwmbran Park
- Cymynyscoy Nature Reserve
- Glansycan Park
- Oakfield Flower Garden
- Pontymoile Basin
- Tirpentws Nature Reserve

This guide provides the accessibility information for **Glansyhan Park**

The audit team visited each location between January – March 2026 and carried out the accessibility audit against a pre identified accessibility checklist. This booklet contains their findings on the day of the visit.

For more information about this project please contact **enquiries@rctpeopelfirst.org.uk**
